

Suggested Use:  **Capsules** - Take a total of four capsules daily, with meals.  **Drink mix:** Mix 1 scoop with 1 cup (8 fl. oz) of water, stir vigorously.

Note: Pregnant or lactating women or individuals with medical conditions should consult a physician before using. Smokers should consult their eye care professional about the risks associated with smoking and using beta-carotene.

MacularProtect Complete contains 80 mg of zinc, a level that was found to support eye health in the AREDS clinical trial. Check with your physician to ensure that this level of zinc is appropriate for you. Keep out of the reach of children.

Capsule ingredients shown below;  **there are minor differences in the drink mix formula for solubility. For details, visit: ScienceBasedHealth.com/MPCdrink**

Supplement Facts 		
Serving Size 4 Capsules	Servings Per Container 30	
	Amount Per Serving	%Daily Value
Vitamin A (from 15 mg of beta-carotene)	25,000 IU	500%
Vitamin C (as ascorbic acid)	750 mg	1,250%
Vitamin D (as cholecalciferol)	900 IU	225%
Vitamin E (from d-alpha tocopheryl succinate and mixed tocopherols)	400 IU	1,333%
Thiamin (vitamin B1 from thiamine hydrochloride)	4.5 mg	300%
Riboflavin (vitamin B2)	5 mg	294%
Niacin (as niacinamide)	10 mg	50%
Vitamin B6 (from pyridoxine hydrochloride)	20 mg	1,000%
Folate (50% from folic acid, 50% from calcium folinate)	400 mcg	100%
Vitamin B12 (as cyanocobalamin)	100 mcg	1,667%
Biotin	100 mcg	33%
Pantothenic Acid (from calcium pantothenate)	12.5 mg	125%
Calcium (from calcium carbonate)	100 mg	10%
Iodine (from potassium iodide)	75 mcg	50%
Magnesium (from magnesium oxide)	100 mg	25%
Zinc (from zinc oxide)	80 mg	533%
Selenium (from selenomethionine)	70 mcg	100%
Copper (from copper oxide)	2 mg	100%
Manganese (from manganese amino acid chelate)	2.5 mg	125%
Chromium (from chromium polynicotinate)	100 mcg	83%
Molybdenum (from molybdenum amino acid chelate)	37.5 mcg	50%
Taurine	100 mg	†
Acetylcysteine (N-acetyl-L-cysteine) (NAC)	75 mg	†
Lemon Bioflavonoids (50% hesperidin complex)	50 mg	†
Quercetin	50 mg	†
Turmeric (95% curcuminoids)	25 mg	†
Alpha Lipoic Acid	20 mg	†
Ginkgo Leaf Extract (24% ginkgolavone glycosides)	20 mg	†
Bilberry Fruit Extract (25% anthocyanidins)	15 mg	†
Grape (<i>Vitis vinifera</i>) Seed Extract (95% proanthocyanidins)	15 mg	†
Lutein (FloraGLO®)	10 mg	†
Lycopene	2 mg	†
Trans-Resveratrol	1.25 mg	†
Boron (from protein hydrolysate)	1 mg	†
Zeaxanthin	1 mg	†
Vanadium (from vanadyl sulfate)	15 mcg	†

† Daily Value not established.

Other Ingredients: Gelatin, Water and Silica.

MacularProtect Complete

- ▶  **New!** Now available in capsules or drink mix
- ▶ Convenient, all-in-one formula provides powerful protection for macular and whole body health – no additional multinutrient is needed
- ▶ Reflects the nutrients and levels studied in the original AREDS clinical trial and other advanced scientific research
- ▶ Features a robust 10 mg of FloraGLO® lutein
- ▶ Includes a robust multinutrient component with optimal levels of 30 additional nutrients, including a diverse array of key antioxidants
- ▶ Manufactured in NSF-certified facilities from the finest quality, bioavailable ingredients
- ▶ Formulated by doctors and nutritional scientists
- ▶ 30 day money-back guarantee

New Omega-3 AREDS 2 formula available!
Add **MacularProtect® Omega-3 Companion** to obtain the omega fatty acids now being studied in the AREDS 2 clinical trial.

MacularProtect Complete is available from eyecare practitioners or directly from ScienceBased Health.

Powerful Protection

for Macular and Whole Body Health

MacularProtect Complete®

Capsules / Drink Mix

AREDS-based formula plus lutein-rich multinutrient

New! Now also a tasty drink mix!

MacularProtect Complete combines powerful protection for your sight with comprehensive multinutrient support for overall health.

Science-Based, Simple & Convenient

Safely combining different supplements to support both macular and whole body health can be complicated. MacularProtect Complete is an all-in-one formulation that offers a simple solution to protect vision and the whole body.

Powerful Protection for Your Sight

MacularProtect Complete is based on the findings of the Age-Related Eye Disease Study (AREDS), and also reflects other advanced science. The AREDS trial showed that high-risk patients taking supplemental antioxidants with zinc had a significantly better chance of retaining their vision. MacularProtect Complete delivers the antioxidant nutrients vitamins C and E, beta-carotene, zinc, and copper included in AREDS.

Advanced Science: The Role of Lutein

Lutein and zeaxanthin are also featured in this formula, as research points to an important role for these nutrients in maintaining macular health. Concentrated in foods such as spinach and kale, they form the yellow pigment of the macula lutea,

the area at the center of the eye's retina where the sharpest central vision occurs. Studies suggest that regular consumption of lutein and zeaxanthin contributes to the density of this protective macular pigment. A year-long trial has reported vision benefits for those receiving supplemental lutein, and the second AREDS trial (AREDS 2) is now underway to determine whether lutein and/or omega-3 fatty acids can help slow the progression of macular degeneration (AMD). MacularProtect Complete provides a balanced ratio of lutein and zeaxanthin reflecting how they occur in our diet.

The Importance of Multinutrients

Staying healthy as we grow older is just as important as preserving our eyesight. That's one reason why most experts now recommend a daily multivitamin for all adults. Taking a well-rounded multinutrient supplement can improve quality of life as we age, helping to maintain our natural immune defenses, and supporting normal mental activities such as concentration and short term memory. MacularProtect Complete contains a full range of the essential vitamins and minerals your body needs to perform at its best. For example, it supplies a potent level of vitamin B12, which can be difficult for mature adults to absorb. Along with folate and vitamin B6, B12 is important for macular and cardiovascular health as well as a healthy mental outlook.

Emerging Science: More Key Nutrients

Evidence clearly shows that eating a diet rich in fruits and vegetables reduces the risk of many chronic diseases. MacularProtect Complete provides many of the nutrients at the forefront of nutrition and health research, like the important antioxidant lycopene – concentrated in tomatoes, and protective bioflavonoids from diverse sources such as bilberry, grape seed, Ginkgo biloba, citrus, and quercetin, found in apples and onions.

New! Omega-3 AREDS 2 Formula Available

For enhanced macular protection, add **MacularProtect® Omega-3 Companion*** to your daily regimen to obtain the nutrients being studied in the AREDS 2 clinical trial, including 1000 mg of pharmaceutical grade fish oil.

**Available only as a bundled add-on with another MacularProtect product.*
