

MacularProtect® Omega-3 Companion Specification Sheet

- Provides 1,000 mg of omega-3 (650 mg EPA and 350 mg DHA), consistent with the level being tested in the ongoing, second Age-Related Eye Disease Study (AREDS 2)
- Intended to be combined with any of the SBH MacularProtect® products, based on the original AREDS research
- For people with age-related macular degeneration (AMD), particularly those with intermediate to advanced AMD – the group that was found to benefit from antioxidant and zinc supplementation in the first AREDS trial
- Utilizes highly pure, USP-verified fish oil—the first and only pharmaceutical grade fish oil to achieve US Pharmacopeia verification, the most rigorous quality assurance verification worldwide
- Lemon flavoring helps ensure no fishy taste or odor
- Daily dose: 2 softgels
- Manufactured in NSF-certified facility that meets or exceeds GMPs (Good Manufacturing Practices)
- Formulated by doctors and nutritional scientists
- Doctor recommended
- 30 day money-back guarantee

Precautions: Taking MacularProtect Omega-3 Companion with anti-coagulants (such as Coumadin®): While the level of EPA/DHA in this product is unlikely to cause any increased bleeding problems in people taking these medications, it is best for those taking anti-coagulants to check with their physician.

Innovative Nutraceuticals for Eye Health
